#### RESULTS BY OPERATING SEGMENT

Crime Boss: Rockay City arrived on the market on March 28<sup>th</sup> 2023 with the launch of the personal computer version. It is the first of a series of videogames part of the significant investment plan implemented by the Group. First showcased last December during The Game Awards, the personal computer version of Crime Boss is exclusive to Epic Store only and the launch of the console version will follow in the last quarter of the current fiscal year.

Crime Boss is one of the largest investments made by the Group through an internal studio and is a cooperative multiplayer videogame with a cast of outstanding actors. The videogame features enable a recurring drop of additional content, and, to that extent, the Group expects recurring revenue for multiple years to come.

During the reporting period, the Group realized Euro 89.2 million revenues, up by 7.5%, and approximately Euro 18 million EBIT.

Revenue for the period grew benefitting from the Euro 12,746 thousand revenue generated by the newly acquired 505 Go!, consolidated from July 1<sup>st</sup>, 2022. 505 Go! acquisition enabled Free to Play revenue to more than triple while Premium Games revenue decreased by 6.5%.

Premium Games revenue amounted to Euro 69,349 thousand as of March 31<sup>st</sup>, 2023 (77.8% of total consolidated revenue) and was split between several back catalogue products among which the evergreen Assetto Corsa, developed by an internal studio, continuously outperforms, realizing Euro 17.7 million revenue year to date.

Revenues from international markets and digital sales respectively accounted for 97% and 92% of the total net revenue.

A breakdown of net revenue by operating segment for the period ended March 31<sup>st</sup>, 2023 compared to the period ended March 31<sup>st</sup>, 2022 is provided below:

#### Net revenue

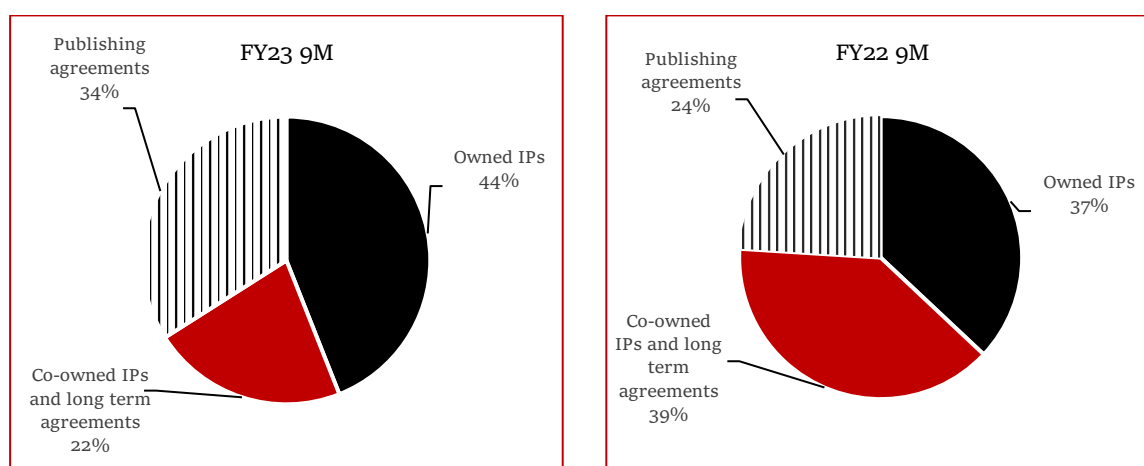

Euro thousand	March 31 <sup>st</sup> , 2023	March 31 <sup>st</sup> , 2022	Change €	Change %
Premium Games	69,349	74,170	(4,821)	-6.5%
Free to Play	17,235	5,441	11,794	n.m.
Italian Distribution	1,888	2,791	(903)	-32.4%
Other Activities	705	532	173	32.5%
Total net revenue	89,177	82,934	6,243	7.5%

The Premium Games operating segment represented 78% of the consolidated net revenue compared to 89% for the previous fiscal year, due to the incremental weight of the Free to Play revenue.

Video games developed by the internal studios and fully owned intellectual properties (IPs) accounted for 44% of the total revenues for the operating segment from 37% as of March 31<sup>st</sup>, 2022.

The promotional activities performed by the Group in the period for Death Stranding were particularly effective thus enabling a significant growth in “publishing agreements” revenue (i.e. products over which the Group holds exclusive rights without IP ownership) compared to the previous fiscal year.

A breakdown of Premium Games revenue by the type of rights held by the Group as of March 31<sup>st</sup>, 2023 is provided below with comparative figures as of March 31<sup>st</sup>, 2022:

The Italian Distribution operating sector revenue decreased by Euro 961 thousand from Euro 2,900 thousand to Euro 1,939 thousand as of March 31<sup>st</sup>, 2023 due to the continuous decline of retail distribution.

Digital Bros Group’s revenue and margins by operating segments for the first nine months of fiscal year 2023-2023 are as follows:

Euro thousand	Premium Games	Free to Play	Italian Distrib.	Other Activities	Holding	Total
Net revenue	69,349	17,235	1,888	705	0	89,177
Gross operating margin (EBITDA)	35,398	2,248	(598)	(166)	(6,412)	30,470
Operating margin (EBIT)	24,980	1,202	(721)	(428)	(7,085)	17,948

Total operating costs amounted to Euro 43,725 thousand, increased by 39.2% compared to the previous fiscal year. Payroll costs grew by Euro 7,777 thousand following the acquisition and the incorporation of several new development studios that have significantly increased the Group workforce. Cost for services grew by Euro 4,083 thousand due to marketing activity made by the newly consolidated 505 Go Inc.. and the launch of Crime Boss: Rockay City.

Gross operating margin (EBITDA) for the period amounted to Euro 30,470 thousand, corresponding to 34.2% of the consolidated net revenue, slightly decreasing by Euro 1,071 thousand from the Euro 31,541 thousand realized in the previous fiscal year.

Depreciation and amortization increased by Euro 141 thousand. Asset impairment charge amounted to Euro 580 thousand and reflected the write off of a videogame production for Euro 444 thousand and the difference related to doubtful trade receivables.

Impairment reversal consisted of the difference between the price paid for the acquisition of 505 Go Inc. and the net equity at the moment of acquisition.

Operating margin (EBIT) amounted to Euro 17,948 thousand, corresponding to 20.1% of the consolidated net revenue, compared to Euro 19,064 thousand as of March 31<sup>st</sup>, 2022.

Net interest income was positive by Euro 3,675 thousand compared to Euro 3,373 thousand realized in the previous fiscal year.

Profit before tax for the period ended March 31<sup>st</sup>, 2023 amounted to Euro 21,623 thousand, a Euro 814 thousand decrease compared to profit before tax of Euro 22,437 thousand as of March 31<sup>st</sup>, 2022.

Net profit amounted to Euro 15,711 thousand unchanged compared to Euro 15,716 thousand as of March 31<sup>st</sup>, 2022.

Net profit attributable to the shareholders of the Parent Company was Euro 14,911 thousand. Net profit attributable to non-controlling interests was negative for Euro 310 thousand.

Basic earnings per share and diluted earnings per share respectively were Euro 1.05 and Euro 1.01 compared to Euro 1.09 earnings per share as of March 31<sup>st</sup>, 2022.

## NET FINANCIAL POSITION

As expected, the net financial position decreased by Euro 24,664 thousand from positive Euro 3,707 thousand as of June 30<sup>th</sup>, 2022 to negative Euro 20,957 thousand, due to the significant investment plan implemented by the Group. Prospective free cash flow will enable the Group to maintain balanced the financial structure in the coming fiscal years.

Net of IFRS 16 recognized financial payables, the net financial position amounted to negative Euro 15,221 thousand.

## TREASURY SHARES

As of March 31<sup>st</sup>, 2023, Digital Bros S.p.A. did not hold any treasury shares, and no transactions have been made in the period, in accordance with Art. 2428 paragraph 2.3 of the Italian Civil Code.

## SIGNIFICANT EVENT DURING THE PERIOD

On October 26<sup>th</sup>, 2022, the Shareholders' Meeting of Digital Bros Group approved the Financial Statements for the fiscal year 2021-2022 and a dividend payment of Euro 0.18 per share.

## SIGNIFICANT EVENTS OCCURRED AFTER MARCH 31<sup>ST</sup>, 2023

On April 28<sup>th</sup>, 2023, Starbreeze announced a rights issue of approximately SEK 450 million to be approved by the forthcoming Extraordinary General Meeting convened on May 24<sup>th</sup>, 2023. Digital Bros Group holds 11.96% of the share capital and 29.09% of the voting rights and together with other major shareholders of the Swedish company

have agreed to vote in favor of the rights issue at the Extraordinary General Meeting. Digital Bros Group has committed to underwrite the pro-rata share of the rights issue, corresponding to approximately SEK 54 million, and to an incremental commitment for a maximum undersubscription of SEK 100 million. The payment of the potential incremental subscription will be made through a partial set-off against a credit of SEK 150 million. This credit was part of Starbreeze reconstruction plan and originally amounted to SEK 165 million. The Group has also committed to convert the total outstanding convertible loan of approximately SEK 215 million within 30 days from the last date of the subscription period of the rights issue. The conversion of the convertible loan is conditional upon the positive outcome of the rights issue and will take place only after recalculated the new conversion price (the original conversion price of SEK 2.25 per share had already been recalculated at SEK 1.63 per share due to the share capital increase realized by Starbreeze in September 2020). For further details on Starbreeze AB rights issue, refer to Starbreeze press release available on Starbreeze corporate website [corporate.starbreeze.com/en/press/](https://corporate.starbreeze.com/en/press/).

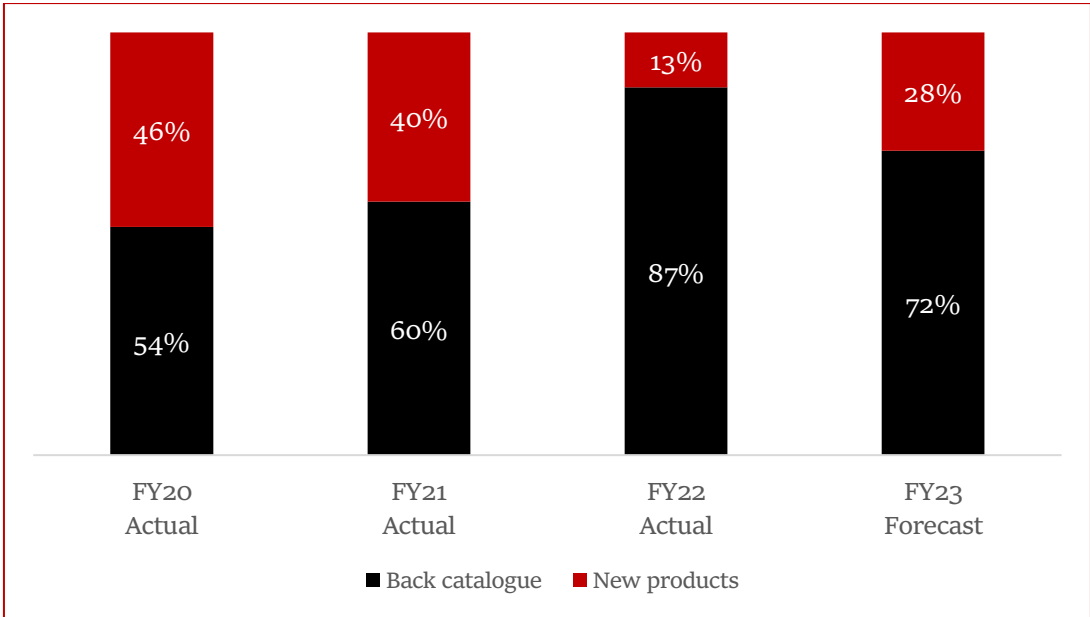

**BUSINESS OUTLOOK**

The Group’s new releases arrived on the market starting March 28<sup>th</sup>, 2023 with the launch of Crime Boss: Rockay City on personal computer followed by the launch of Crime Boss console versions and Miasma Chronicles on all platforms during the fourth quarter. Revenue for the full fiscal year will also benefit from the revenue realized by the newly acquired 505 Go!. Considering the above, the Group expects increasing consolidated revenue for the entire fiscal year.

The Group has planned to invest more than Euro 80 million in the current fiscal year and, as a result of that, expects increasing revenue for at least the next two fiscal years.

The mix of revenue as of June 30<sup>th</sup>, 2022, made by back catalogue products and Assetto Corsa, enabled a significant EBIT level; this is expected to change when the new releases will arrive to the market. In fact, the launch of new intellectual properties will initially reduce margin percentages on revenue due to the initial marketing and production investments, but the Group do not expect significant change in the consolidated EBIT for the full fiscal year in absolute terms.

A breakdown of back catalogue and new releases of Premium Games’ revenue expected for the full fiscal year with previous years comparisons is shown in the chart below. The new launches during the second half of the fiscal year will take the sale of new releases to the 28% of the full year forecast revenues:

In accordance with the significant investments during the period and that will continue into the next fiscal year, the net financial position, positive for Euro 3.7 million as of June 30<sup>th</sup>, 2022, is expected to decrease until the end of the current fiscal year.

## ALTERNATIVE PERFORMANCE RATIOS

The Group continuously applies specific key performance ratios to simplify the comprehension of the consolidated profit and loss statement and balance sheet. The following ratios are directly disclosed in the profit and loss statement:

- Gross profit being the difference between net revenue and total cost of sales;
- EBITDA, being the difference between gross profit, other income and total operating cost plus other income;
- EBIT, being the difference between EBITDA and total depreciation, amortization and impairment adjustments.
